Notice to Bidders

Government e-Procurement System

In line with Government's plan towards a fully-fledged digital society requiring increased use of ICT in public administration, **The Higher Education Commission (HEC)** would, by the **end of December 2020**, carry out public procurement electronically on the **Government e-Procurement System (e-PS)**. Consequently, the paper-based procurement process would gradually be phased out.

The e-PS is live, and a growing number of public bodies are already carrying out their procurement proceedings online.

In this respect, Bidders are advised to register at the earliest on the e-PS at the following address:
