Further to the decision of Government, by virtue of the Quarantine Act 2020, to order temporary restriction of movement as from Wednesday 10 March 2021 due to another wave of the Covid-19, the prime concern of the Higher Education Commission (HEC) is the safety of its employees and that of its stakeholders.

The HEC wishes to inform its stakeholders, all the higher education institutions and the public in general that, until further notice, the staff of the Commission will work from home. During this period of national lockdown, the Commission can be contacted for urgent matters, through the following emails: commissionerooffice@tec.mu and contact@tec.mu; and by phone through Mrs Anjuli Mодоosoodun, Public Relations Officer, on 57936292.
