

TOP-UP TEC's MPhil/DOCTORAL PROGRAMME BY RESEARCH SCHOLARSHIP

Objective

The objective of the Scheme is to promote early publications by awardees of TEC's full-time MPhil/Doctoral Programme by Research Scholarship.

Financial Provision

The Scheme provides for a top-up allowance of MUR 10,000 monthly as from the date of publication by awardees for the remainder of the MPhil/Doctoral Programme by Research Scholarship.

Conditions/ Criteria

- Awardees of TEC's full-time MPhil/Doctoral Programme by Research Scholarship must publish in an internationally refereed journal within their first two years of MPhil/Doctoral Programme research;
- Awardees must have been registered with a public university not more than 2 years at time of application.

Implementation Modalities

- TEC will launch call for applications in July, inviting awardees of TEC's full time MPhil/ Doctoral Programme by Research Scholarship to submit publications made in internationally refereed journals within the first two years of their MPhil/Doctoral Programme by Research studies;
- Applications should be sent through the Head of the institution Doctoral Programme by Research;
- All applications will be reviewed by a Technical Committee.

Expected output

- (i) Improved ranking of our universities;
- (ii) Recognition by the research community;
- (iii) Increased Research Visibility;
- (iv) Create Innovation;
- (v) Increased access to funding;
- (vi) Creation of Centre of Excellence within universities in certain thematic areas;
- (vii) Disseminate the research outcome/ findings, including participation in all events organised by the Commission including the National Research Week and 3-min Thesis Competition.
